

The Victim of Drink

Needs Oritine Treatment—Cure Effected or Money Refunded.

Drink first destroys ambition; breaks up ties of friendship; it kills and buries love and eventually destroys the family life.

Some of the best men in the world have been victims of drink, and if there is not some member in your family that is afflicted with this disease you are indeed fortunate. Drink cunningly destroys the will power, and while the drunkard wants to do what you tell him, he wants a thousand times more the drink that he craves. Medical treatment is necessary to destroy the craving, and this Oritine will do.

It destroys the desire for liquor, so that the drink will not be missed, also cures the damaged digestion, weakens nerves and other ill effects of excessive drinking, restoring the patient to perfect health.

The remedy is absolutely harmless, is thoroughly scientific, and is so uniformly successful that it is sold with a registered guarantee entitling you to a refund of your money if Oritine fails to effect a cure. Booklet on "How to Cure Drunkenness" sent on request in plain sealed wrapper. The Oritine Co., Washington, D. C.

Oritine is in two forms: No. 1, which can be given secretly without the patient's knowledge, No. 2, in pill form, for those who wish to be cured. The price of either is \$1.00, mailed on receipt of price, in plain sealed package, and both are sold under the guarantee. Oritine is sold by THE CHIL- DREY DRUG CO., 101 East Broad Street.

Out of the 215 members of that conference, a large proportion of them are Trinity graduates, and the coming back to the town of their college training will be quite an event not only to the college, but to the city.
